- **NOTE** – the files with the Criss Cross final stitch in this set are "cutter compatible", meaning that if you have the necessary software to convert sew files into cutting files, you can use an automated cutter [like a cricut or cameo] to cut your appliqué fabric instead of cutting by hand. I'm so sorry, but we do not offer any support for this function.

Below is are samples of how the Criss Cross final stitch design looks stitched. The "K" used is from our #353 Doodle Font 3" high set and is available for purchase separately.
