- PDF Patterns for each design
- PDF Applique Instructions
- **NOTE** - these files are "cutter compatible", meaning that if you have the necessary software to convert sew files into cutting files, you can use an automated cutter [like a cricut, ioline, accuquilt or cameo] to cut your appliqué fabric instead of cutting by hand. I'm so sorry, but we do not offer any support for this function.

The pictures below are examples of the 3" sizes stitched with fabric.
